**JEPIS Rate Schedule for EXTERNAL Users**  
**Effective July 1, 2024 – June 30, 2025 (Rates Subject to Change)**

The purpose of the JEPIS rate schedule is to help offset the annual cost of operations by collecting a fee based upon usage.

Effective July 2018, the Brown internal user rate for all IMNI facilities will be extended to Brown University Hospital Affiliates and Rhode Island Academic Institutions (Please refer to the Rate Schedule for Internal Users).

All prospective external organizations should review the process outlined on [IMNI.brown.edu](http://IMNI.brown.edu) to become an authorized external user.

<b>Joint Engineering &amp; Physics Instrument Shop (JEPIS)</b>			
The usage calculation is based on an hourly rate, with actual usage being rounded to the quarter hour. Any materials purchased for a work order will be invoiced based on actual material costs.			
<b>Description</b>	<b>External Academic (non-profit)</b>	<b>External Commercial (for profit)</b>	<b>Unit</b>
<b>Machine Shop Labor Rate</b> Cost of actual materials will be added (if applicable).	\$108.00*	\$143.00*	per hour
	*Plus actual materials		
<b>Electrical Discharge Machine (EDM)</b>	\$72.00	\$107.00	per hour
